

ELEPHANT CLASS

AUTUMN 1 2020

Elephants Class have been thoroughly enjoying their topic based learning of 'Once Upon a Time.' During Autumn One, we explored traditional tales. We enjoyed sharing the story of 'The Three Little Pigs' and 'Goldilocks.' Through our attention activities and free play, we were able to sequence and role play favourite parts of the shared stories. We have been celebrating lots of special days and weeks this term. We learnt about Rosh Hashanah, Yom Kippur, Harvest and experienced these special events through music, food and stories. Black History Week was fantastic and we loved tasting foods from our story 'Handa's Surprise'. It was lots of fun to take part in the African Drumming workshop and to create African mas and our own self-portraits.

We also explored animals which hibernate over the winter. We will be celebrating different festivals and days of significance which take place during this term.
