

This term we have been learning all about Transport. We are exploring different types of transport and moving, planning journeys and learning new scientific vocabulary. We enjoyed wheel painting using toy vehicles and our wheelchairs to decorate our display board. One of our favourite activities was washing Sophie's car.

We have been reading two books about transport: Lost and Found and Emma Jane's Aeroplane. We have explored the characters and retold the story using props. This half term we are reading Where the Wild Things Are and Little People Big Dreams: Amelia Earhart.

We are enjoying making and trying new foods in cookery and exploring different textures in messy play.

We have been making the most of the weather by spending lots of time in our outdoor area. We made a fire and shared hot chocolate in Forest School. Hippo Class have settled well in their return to school after a long break. We have been enjoying working and playing together this term!
