

Another busy and fun Autumn Term 2. We have had fun with our **Space** topic where we dressed up as astronauts and we found aliens in space that had strange 'strings' like tentacles around them. We enjoyed PE and playing quiz games as a class on our iPads challenging each other. We read 'Cosmic' which is a great book for teenagers. We loved the Shakespeare School Festival Production that we worked on with Sapphire Class with Tim and Carmen's music. Diamond Class wish everyone a lovely and safe Christmas holiday and to a fantastic 2021!
