

This term in Eagles Class we will be continuing with our accreditation work as much as we can within the practical restraints of Covid 19. For those of us in school, we will be unable to go out into the community as we would like, for our Independent Learning, so we will be bringing the community into the classroom as much as possible. This means that shopping will be done 'online' and visiting cafes and eating out will be students preparing their own drinks and snacks in school.

For our Work Related Learning we will also be 'Looking the Part' which means we are making sure that we know which clothes are appropriate for the workplace.

We are missing our friends who are shielding at home and hope to keep in contact with them through Zoom sessions and look forward to seeing them again later in the Spring Term.
