

Elephants Class will be starting their new topic of 'Animals' over the spring term. We have chosen to focus on farm animals in Spring 1 and move onto jungle animals in Spring 2.

We will be exploring the tale of 'The Little Red Hen' in Spring 1. We are looking forward to practicing our writing skills and creating our own books. In our Mathematical learning, we will be exploring shape, space and measure, exploring positional language and learning the language of shapes.

We will be continuing to celebrate all major festivals and celebrations in class.
