

DIAMOND CLASS

Summer 1 2021

Our Topic: The world in the 21st Century

Our topic for Summer Term is: “The World in the 21st Century”

With Pre-Formal group, we are going to read the book “One World, Many Colours” by Ben Lerwill, Semi-Formal students will work around the book “The Last Tree” from Emily Haworth-Booth and Formal group will read the Voyage of the Sparrowhawk written by Natasha Farrant. Formal students will also have the chance to meet the author through Youtube live where they will have the chance to ask questions about the book. All pupils will be supported to work on their reading and comprehension, speaking and listening and transcription/composition skills through the different curriculum pathways.

In Maths, our Pre-Formal students will engage in sensory games with a peer and/or staff member. Semi-Formal Students will develop number skills, as well as space, shapes and measurement, learning about empty and full and ordinal numbers. Formal students are going to learn about time and how to round up a number to the nearest 10 / 100.

Animals will be the main area of study in Science, MFL, PE and Art where we will explore different animal features, groups of animals and habitats.
