

Elephant Class are looking forward to learning about 'The Seaside' in Summer Two. We will be joining in with new stories including 'The Lighthouse Keepers' Lunch' by David Armitage and 'Clean Up' by Nathan Bryon. As the EYFS transition class, we will be getting ready to join in with new learning challenges in our new classes. We will be practising all of the skills we will need to be super learners as we grow up.

We are looking forward to the seaside coming to our playground where we can build sandcastles and feel the water on our feet. We will be making ice-cream and sandwiches for the lighthouse keeper as part of our understanding the world sessions.
