

DIAMOND CLASS

SUMMER 2 2021

Our Topic: The world in the 21st Century

Diamond Class will be learning about celebrations and traditions around the world this Summer term. Pupils will learn about different countries around the world and we will develop a class project about Cuba for the MFL International Fair Week Country.

In Literacy we will carry on reading and working around the "Voyage of the Sparrowhawk" with formal learners. Semi-Formal and Pre-Formal learners will be supported to explore the story "Sharing a Shell".

Animals will be the main area of study in science, MFL, PE and Art where we will explore different animal features, groups of animals and habitats.
