

As we look forwards to coming back in the Autumn Term, we will be doing a lot on transitions and getting to know our new peers. We will be doing lots of cross curricular within our learning, linking our science to our art, along with exploring our communication methods. We will continue to explore differences around the world and the people around the world through lights, sounds, feelings, taste and smell, to allow for everyone to join in with our learning.

For those doing blending home school learning, we will continue doing the sessions, singing, music, stories and now we will be joining up with the class in order to have joint collaboration between both home and school.

Below are some of the symbols we will be using to support our learning:
