**BEDELSFORD SCHOOL
CURRENTLY HAS 1
RECORDED COVID-19 CASE.**

MESSAGE FROM JULIA JAMES- PRINCIPAL

Hi all,

Welcome to the first edition of the weekly newsletter for the new Academic Year 2021-2022. We hope you all had a lovely and well rested Summer break.

Firstly, we would just like to say how delightful it has been having our pupils return to School. We are very excited for what is in store this year and as always, our students have transitioned back into their learning seamlessly.

We just wanted to say a big thank you for the support we have received from our Secondary & 6th Form parents with regards to the on-site testing both this week, and the back end of the last week. As always, all of our parents are supportive in ensuring that the School remains a safe and prosperous place of education. Just to inform you all that we are due to receive some more 'Lateral Flow Test' kits early next week and we will distribute accordingly.

Under the new guidelines, children under 18 years & 6 months old are not required to isolate. However, we will update you all with any cases in School, or if there is a case in your child's class, we will inform you as a consequence.

Please enjoy some pictures of our pupils expressing how much they have enjoyed the return to School to learn, play and see their peers.
