RECORDED COVID-19  
CASES 24.09.21**

## MESSAGE FROM JULIA JAMES- PRINCIPAL

Hi all,

It has been yet another exciting week here at Bedelsford, filled with creativity and new experiences.

In this edition, we have some delightful updates from our very first sensory pony contact session, as well as the lovely event that was the Macmillan Coffee Morning hosted by our 6<sup>th</sup> form.

We would just like to say a massive thank you to all of you that sent donations and cakes in and we will update you all with the final total raised, when we have collated all of the generous contributions.

## SENSORY PONY SESSIONS

We don't think much of a caption is needed to express just how thrilled we all are with the introduction of the pony sensory contact sessions off-site. Lion class were the first to experience this new project and as you can see from photographs, great fun was had by all. We cannot wait to give you all more updates as and when we get them.

## MACMILLAN COFFEE MORNING

Our 6<sup>th</sup> Form showed their entrepreneurial skills for a really good cause, as they helped raise money for Macmillan by selling cakes

(Thank you again for your all of your support in making sure that this event was a success!)
