

In communication we are working on extending our shared attention and using our preferred means of communication to make requests and communicate our needs and wants. We will all be taking part in phonics sessions. We will all be taking part in weekly mark marking/ handwriting sessions. All the students will read to an adult and have the chance to listen to a range of different stories throughout the week.

Some of us will be sequencing parts of a story and answering questions on a familiar story.

In maths we are working on numbers this term with 1:1 correspondence and number recognition to 10.

Some of us will be working on number bonds to 5 and 10.

In Science we will be exploring toys that have batteries and toys that do not. In humanities we will be exploring the concepts old and new. In art we will be creating pieces of art using a range of different tools with a focus on primary colours and then making secondary colours. In PE we will be working on developing our balance and stamina, through using walkers and standing frames for some and taking part in obstacle course in PE sessions.
