

Phoenix Class is off to a fantastic beginning and looking forward to this half term. We are working on the sensory story of 'The Wizard of Oz' which goes along with the theme of 'I am unique' in 6th form. We are also doing many work and life skills such as table setting, cutlery sorting, hygiene, and following directions. These are ASDAN units that will lead to accreditation. The students helped to clear an outdoor planting shed this week, deciding what to keep, what to recycle, and what to throw in the bin. We will continue to develop our outdoor area so it will be ready for planting in the Spring. We are also creating sensory self-portraits and other pieces of art to show how we are unique. It's going to be a wonderful half term.
