

DIAMOND CLASS

AUTUMN 2 2021

Next half term we will be reading two new texts, Party in the Sky by Bag Books and Gobbin' Hood and his Merry Phlegm by Pete Wells.

We hope to continue with our weekly trips into the community, to develop our independent living skills.

We will develop and maintain our physical skills by using the trampoline, the swing and our favourite – Physibods.

Diamonds will be building on their Cognition skills, carrying out activities independently and exploring the world around them using A frames, position boards, the sensory bridge and sensory room. We are focusing on our ability to investigate and persist in our exploration of stimuli without the help of an adult.
