

## EMERALD CLASS

AUTUMN 2 2021

Emerald Class are looking forward to the second part of the Autumn term. We will be learning about and remembering important events such as fireworks night and Remembrance Day. We are hoping to participate in our own sensory experience for fireworks night including cooking and art activities. We are all very excited about a trip to Hampton Court Palace in the first week of the new half term where we will visit the Kings Kitchen and take part in a sensory workshop including dressing up and exploring parts of the palace. We will also continue with our ASDAN work and work with the School Council while expressing our own views.
