

During Autumn Term 1 we welcomed new friends and said hello to everyone. Throughout the second half of the Autumn Term, we will be continuing to get to know everyone's likes and dislikes. We will also continue to work on our intensive interaction skills and explore the world around us through our lights, sounds, feelings, taste and smell.

For those doing blending home school learning, we will continue doing the sessions, singing, music, stories and now we will be joining up with the class in order to have joint collaboration between both home and school.

Below are some of the symbols we will be continuing to use to support our learning as we continue to make our choices and say our favourite things.
