

QUARTZ CLASS

AUTUMN 2 2021

Communication

Our 'Relationships and Emotional Wealth' topic continues, and we will be reading the story 'The Wizard of Oz' which will be linked to our Christmas production this year. We will also be examining our emotions through music and expressing choices through symbols, switches, Objects of Reference, and our Eye Gaze communication aid.

Cognition and Learning

We will be Investigating the season of Autumn and experiencing basic math's and science concepts through tactile exploration of objects, shapes, and numbers in our sensory trays.

Social and Emotional

There are quite a few festivals this half term, Bonfire Night, Diwali, Thanksgiving, Hanukkah, and the Advent season. Therefore, we will have lots of opportunities to experience these festivities through sensology, circle time sessions and assemblies. We will also have trips into our local community and life skills lessons linked to our ASDAN modules.

Physical and Sensory

We will be listening to music from the Tudor era and making Venetian masks for our 'Shakespeare's for School' play, and we will also continue creating our bug hotel and examining different ingredients linked to the various festivals and celebrations.
