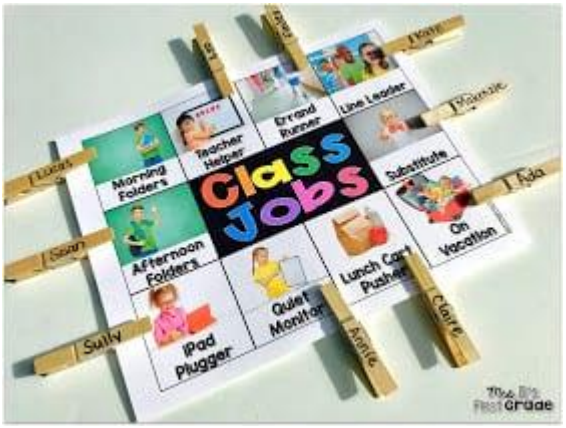
RUBIES CLASS AUTUMN 2 2021

Over the course of the Autumn Term, we look forward to continuing with our topic cycle: 'Relationship and Emotional Well-being.'

As a class, we will vote for a range of activities across the week: preferred choices for Food Technology activities, class jobs and leisure activities to name but a few. Throughout the half term, we will do lots of fun and engaging activities linked to 'Autumn', these will also be incorporated through seasonal celebrations, in addition to regular Autumn walks within the community. Over the course of the half term, we will work on new Individual Learning Intentions linked to our topic cycle. We look forward to deciding our new class texts, which will directly link to our new learning intensions.



We wish you all a relaxing half term break and look forward to welcoming everyone back for the second half of the Autumn Term.

Best wishes, Rubies' class team
