

Through the course of the Autumn Term Giraffes Class showed huge progress in their learning and engagement, in line with the engagement scales that all children in Giraffes access. Through the first half of Autumn we got to know one another and through the second half we got to know each other's preferences and engagement in activities. For the upcoming Spring Term, we will be focusing on markets and money as our whole school focus. For this we will be planning to go out in the community and go out to Kingston Market, exploring all the different sights and sounds, doing some money exchange as well. Below are some of the symbols we will be using to support our learning so that we continue to engage with our learning.
