

In Spring 2 Elephants will be expecting chicks. We will be investigating the lifestyle of chickens and how to care for them. We will also be looking out for further signs of Spring, as it approaches, leading up to Easter.

Elephants will continue exploring the topic of 'Markets and Money'. We will be going on a magical carpet ride adventure, reading and singing 'My Granny went to market', A Round-the-World Counting Rhyme, counting everything Granny buys at different markets around the world.
