

During Spring 2, the children in Meerkats are going to be very busy learning all about dinosaurs. They will read the story “Dinosaur Roar!” where they will explore different dinosaurs and their characteristics, also they will be counting up to 10 when trying to find the dinosaurs hiding in the “Hide-a-Saurus” story. The children will have the opportunity to continue going on trips (locally such as the river or Fairfield Park, as well as non-local visits such as Park Lane Stables). Also, they will be exploring how weather changes into Spring and we will learn about changes around us. There will be a lot of events to celebrate like St. Patrick’s Day, Mother’s Day and World Book Day and towards the end of the term we will be learning about Easter, making lots of arts and crafts exploring different resources, cooking and going on a Easter Egg Hunt. Lots of fun ahead for our Meerkat Class!
