

During Spring 2, all the little Zebras will be expanding their learning about **“Money and Markets”**. We will explore different currencies in Spanish speaking countries, different markets in countries around the world and what we can find there. Also, we will continue expanding our shopping skills through school role play and in real life.

The chosen stories for this term are: “Bebe goes Shopping” and “Markets Around the World”.

Also, we will be taking part in important celebrations such as: Spanish Carnival, World Book Day, St. Patrick’s Day, Holi, Spring Equinox and different Easter celebrations.
