

**QUARTZ CLASS**

**SUMMER 1 2022**

This half term we will be sharing in circle time some of the places we have visited e.g., day trips, school visits or holidays, then creating travel journals.

We will be creating shapes with clay/playdoh, and identifying, recognising and comparing full and empty.

We will be experiencing poetry and exploring the 'sound world' in and out of our classroom.

**'I am the seed that grew the tree:**

**A nature poem for every day of the year: Fiona Waters and Frann Preston-Gannon**
