MESSAGE FROM JULIA JAMES- PRINCIPAL

Hi All,

Welcome to the latest edition of the Principal weekly newsletter. This week has been a lovely week filled with all kinds of fun going on, both in the classroom and out in the community.

Events this week spanned from chick hatching to exploring Windsor Castle in preparation for the Queen's Jubilee. There is always something new and exciting going on here at Bedelsford School.

Just to make you all aware that next week is Mental Health Awareness week across the school. Our dedicated staff teams have prepared a lot of different activities for our pupils to get involved in and we are really looking forward to expanding on what is such an important topic.

Additionally, our lovely FOB (**Friends of Bedelsford**) team have set up Friends of Bedelsford as a charity on **Amazon Smile**. If you shop on Amazon Smile, you are now able to choose Friends of Bedelsford as a charity to support.

Please enjoy the selection of images of our students learning and enjoying themselves over the course of this week.

Sapphires class visited the school office team to ask them questions about all their hard work during a school day.

The eggs arrived at the start of the week, and it wasn't long before they started hatching!

Emeralds class made delicious wraps during cooking & DT.

The class especially enjoyed eating their creations...

And finally, a lovely trip to Windsor for Zebras class and a good start towards preparation for the Queen's Jubilee celebration.

Bedelsford are particularly excited for this event.
