

Phoenix Class look forward to a wonderful but sad next half term. We will say goodbye to three friends in class this year as they move to different schools and colleges. Two of these friends have been at Bedelsford since they were very young, so it will be especially sad. We are also looking forward to using our work skills at the Summer Fun Day, planning our Prom, enjoying a leavers' residential trip to the Isle of Wight, and having a special leavers' ceremony. It will definitely be a very busy half term. We will continue to work on our Grease sensory story, as well as our ASDAN work and life skills.
