

During Summer Two, all the little zebras will continue learning about **The Great Outdoors**.

This term we will focus on two different stories: *“What a Wonderful World”* by Bob Thiele and *“Tiny, Perfect Things”* by M.K. Clark from which we will expand the knowledge about the world outside and its different features.

Additionally, we will be taking part in important celebrations, such as: International Fair week, Summer Solstice, Summer Fun Day and Get Active Week, including Sports Day. We will also go to Chessington World of Adventures as part of celebrating outdoor learning.
