

Welcome back to another year in Sapphire Class. In September all my Sapphires will be exploring the curriculum, different communication will be a focus building on their vocabulary with phonics, sound, punctuations, spacing and writing. Physical Education also will be explored building on their motor skills, developing techniques, spacing and movements in a range of sporting/dance themes e.g., throwing and catching, control, balance, coordination and reacting to different stimulus such as music. Sapphires will learn the benefits of teamwork and all work will be celebrated.

Phonics
