Meerkat Class

Autumn 2 2022

During Autumn Term 2 we will continue focusing on the topic “My Community” where we will continue learning about people that help us outside school (police officers, firefighters, post officers, people in the market). We will celebrate events such as Remembrance Day making poppies and Bonfire Night painting fireworks. Soon we will start with our Christmas preparations, decorating our classroom and rehearsing for our show “The Nativity”. This will be a great time for Meerkats to visit Kington and see the Christmas lights.
