

Phoenix Class are looking forward to taking our coat collection of gently used and recycled coats to the local homeless shelter before Christmas. This has been a wonderful project that has benefitted our school community as well as our local community. We are collecting gently used coats from school families and then rehoming them for people who need them. We are also collecting school uniform for recycling amongst the school population. This has been a wonderful opportunity for students to learn skills of washing clothes, taking care of clothes and the value of reducing our footprint on the earth. It has been a wonderful way to give back. We will continue working on our sensory story of Billy Elliot, which has had wonderful themes of family, relationships, and gender roles in it. We will also work towards being healthy in our bodies, including eating healthy food, moving our bodies in healthy ways and having healthy relationships.
