

## PHOENIX CLASS

SPRING 1 2023

Happy New Year!

We are looking forward to Spring Term 2023. Our new sensory story will be Hairspray, going along with the theme of 'Getting on with others and celebrating differences'. We will continue to work on writing our autobiographies, telling the story of what makes each of us unique.

We will also continue to work in the community at Spelthorne Farm and with KCAH (the local homeless shelter). We look forward to Valentine's Day dates and asking out our friends.

Phoenix Class also will begin work on planning the Summer Fun Day 2023. In 2022, it was such a hit that we are bringing it back and it will be better than ever.
