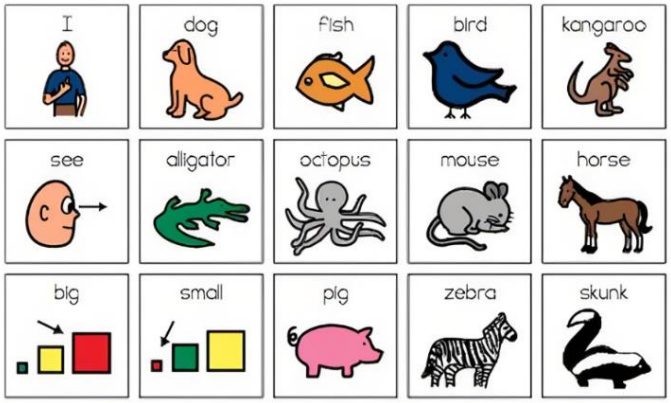
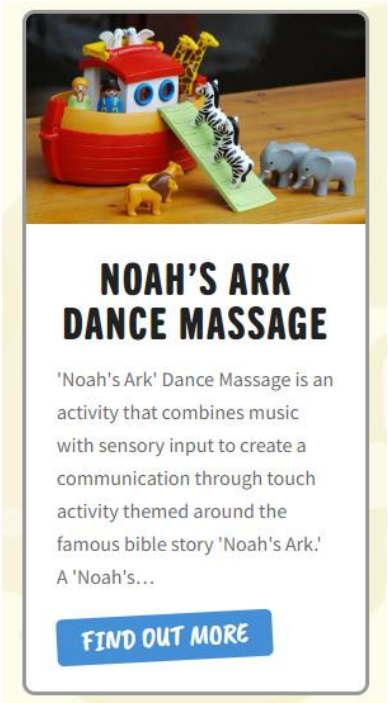
RUBIES CLASS **SPRING 1 2023**

Our topic next term is Animals and Life Cycles. We will explore the natural environment when out in the community and in messy work activities.
We will be exploring a range of Shakespeare's texts as part of Shakespeare for Schools English and Drama activities.

We will continue our learning through small group activities such as dance massage, sensory story and Attention Autism sessions.

Students will build on their learning towards their Individual Learning Intentions through structured workbox activities, with the support of sensory diet tasks,




MOVE students will be developing their skills as part of their independent movement goals.
