

Phoenix class is definitely looking forward to warmer weather so we can be out in the community more often. We will be working on getting our games and prizes for the Summer Fun Day secured. The Summer Fun Day is scheduled for May 4th and it is a great work experience opportunity for our students. They will plan, create, and run the games on the day for the rest of the school to enjoy. This will be combined with the King's Coronation celebration, which we look forward to greatly! We are working towards our Duke of Edinburgh expedition and are very excited to have opportunities like this made available. We will carry on our learning with our Hairspray Sensory story, our RSE delivered weekly, and visits from the Worshipful Company of Musicians. We will continue to be a part of our community by soliciting for prizes for the Fun Day, volunteering in our community, and being a part of things like the used uniform redistribution.
