

In the Summer 1, we will be learning about the topic “Great me: This is me” and we will be focussing on what make us unique. We will look at our differences and similarities, our way of communicating, the way we move around, what we like and what we dislike. We will be focussing on books such as the collection “The Abilities in Me” by Gemma Keir and “This is Me!” by George Webster among others. We will talk about emotions and how we feel, by looking at pictures and mirrors.
