

Our theme this term is work skills and opportunities for enterprise. Phoenix Class have been working very hard to prepare for the Summer Fun Day, coming on May 4th in collaboration with the King's Coronation celebration. We will have games, refreshments, face painting, a bouncy castle, and more - all in the name of work skills and employment opportunities for our 6th form students. We will begin a new sensory story related to the theme of 'The Greatest Showman'. We are planning a Duke of Edinburgh expedition, a leavers' trip to the Isle of Wight, and transitions to colleges for our leavers. It will be a wonderfully busy and satisfying term I am certain.
