

Zebra Class will be expanding their knowledge about the topic '**Oceans of the World**' during English (by learning vocabulary related to the topic), Music (by engaging and joining in with instruments to musical pieces related to the ocean/sea) and Science lessons (by exploring the animals living in the oceans and seas).

We will also be celebrating: International Fair Week, Sports Day and MOVE day, by taking part in different activities within class and across the school, as well as our visit to Chessington World Adventures and Buckingham Palace Royal Mews. This term is going to be very exciting!
